BUNDLE

JASPER & WILLOW

MOMLIFE MADE EASY

WELCOME!

First let me say THANK YOU for downloading the Ultimate School Bundle!

I am so incredibly excited to have you as part of the Jasper and Willow community!

The Ultimate School Bundle is here to help YOU, and your kiddos stay organized during the school year.

I have been the crazy lady, who was a straight up hot mess EVERY morning!

Shoes were no where to be found, papers falling all up out of backpacks, and breakfast...ummm eat a granola bar on the way to school kid. Sound familiar?

I WAS TIRED!

Tired of being the crazy lady, tired of yelling at my kids, and tired of being TIRED!

I knew something had to give.

So, I got to work, and got organized!

Through the Ultimate School Binder you will be able to restore sanity back into your life!

Whether it's with the make ahead and freezer friendly breakfast ideas, morning and after school checklists, and even some sweet lunchbox love notes, everything is made specifically for YOU!

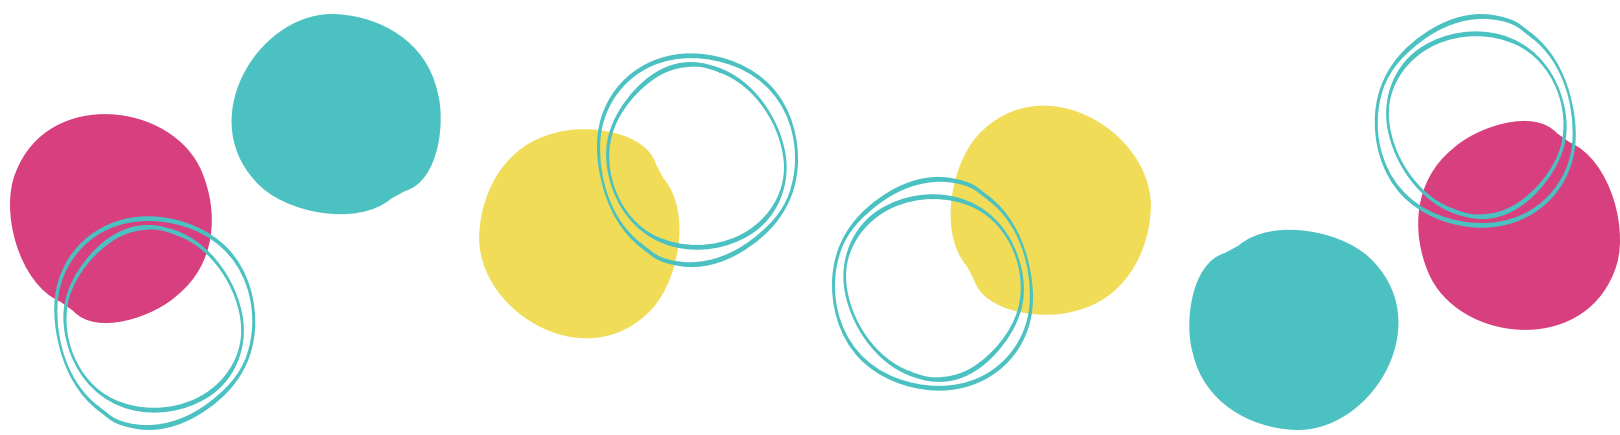

I am excited to hear about how much easier your life will be with the Ultimate School Binder!

XO From Your Biggest Cheerleader!
